

# Language in Motion

MOVE! PLAY! LEARN!

## What Is It?

**Language in Motion** is a summer camp that combines the best of our speech-language and occupational therapy programs. It focuses on helping children, ages 3-7 years old, build skills in communication and social-pragmatic language while addressing areas of sensory processing and motor planning through play.

## How It Works

Our highly-trained Speech-Language and Occupational Therapists provide fun group activities using our sensory gym, arts and crafts, daily themes, yoga, music, books, games, and more. Activities address language, social, sensory, and motor skill development in an environment designed for children to enjoy a camp experience.

## Areas Addressed

- Vocabulary Building
- Story Time/Story Retell
- Oral Language Expansion
- Peer interaction
- Motor Planning/Coordination
- Sensory Exploration
- and so much more!
